badalpun2022@gmail.com

Quepem,

## PROFILE

Motivated 3rd-year Information Technology engineering student with a strong interest in full-stack web development and IoT-based solutions. Seeking opportunities to learn and apply technical skills in building scalable, efficient, real-world applications.

## EDUCATION

### B.E./B.Tech in Information Technology

Shree Rayeshwar Institute of Engineering & Information Technology

2023 - Present

### Higher Secondary Certificate (HSC)

Father Agnel Higher Secondary School, Pilar, Goa

2023

### Secondary School Certificate (SSC)

Our Lady of Perpetual Succour High School, Cortalim, Goa

2021

## TECHNICAL SKILLS

|           |                                           |
|-----------|-------------------------------------------|
| Frontend  | HTML • CSS • JavaScript                   |
| Backend   | Node.js • Express.js                      |
| Database  | MySQL                                     |
| Languages | C • C++                                   |
| Tools     | Git • GitHub • VS Code                    |
| Concepts  | REST APIs • CRUD • DBMS • OOP • Basic IoT |

## SOFT SKILLS

Problem-Solving • Team Collaboration • Communication • Time Management • Adaptability

## PROJECTS

### 1. Contact Management System — DBMS Project

- Implemented CRUD operations for managing contact information.
- Built a structured database application for adding, updating, deleting and viewing contacts.

### 2. Home Automation System — Rain Detection

- Developed a full-stack web application using HTML, CSS, JavaScript, Node.js and Express.js.
- Integrated MySQL for data storage and designed RESTful APIs for frontend-backend communication.
- Built an automated system to close windows upon rain detection using sensor-based logic.

## ACHIEVEMENTS

### ● 1st Place

BGMI Tournament at Lakshya Event, Goa University — 21 March 2025

### ● 1st Place

BGMI Competition conducted by BITS Quark — 7 February 2025

### ● 3rd Place

Taekwondo Sparring Competition in Goa

## CAREER INTERESTS

Full-Stack Web Development • Software Development • Database Applications • IoT Solutions

## LANGUAGES

English • Hindi • Konkani
